The academy season came to an end last November. The academy went from strength to strength last year as it finished out the season with approx. 25-30 players every week, That is great credit to the lads who runs the academy Andy , Eddie , Alan and their apprentices Sean Brennan and Alex Watt (from our Youth 6 team).

It will resume on 26th Jan 2019 Thanks to all the players for the effort throughout the season and a big thanks to the parents for bringing the players up every Saturday.

SUBSCRIPTIONS 2019

Welcome to the 2019 football season. First of all let me welcome your child to the club whether he\she is returning to their respective team or whether you are registering for the first time. If you are registering for the first time thank you for choosing Greenhills Boys as your club for the 2019 season.

We have a yearly subscription fee that is payable by every player in order to register with the club. The subscription fees for the coming season are being increased this year. The new fees per the respective age groups are outlined below.

The complete Subscription fee for the year must be paid in full before the **30th April 2019** If not paid in full your child will **not be allowed to train or take part in matches as they will not be insured** to do so. Once your child is registered with the club as there will be no refunds on subscriptions. There will be a committee member in the club shop every Tuesday and Thursday from 7.00 to 8.00pm to register players.

Subscriptions

- Academy (U4s to U7s) - €3 per session.
- U8s/U9s/U10s/U11s - €200 per child
- U12s/U13s/U16s/Youths - €250 per child

This is the first increase in yearly subscriptions in over 10 years and with rising costs to run the club we were left with no option but to increase the yearly fee.

****Note there is a family discount for any family with more than 1 child in the club – please contact the treasurer Martin Finn (085-7600521) for details.***

The subscriptions are the funds that run the club over the season. It is important that all players keep their payments up to date so they can avail of the facilities the club are providing.

During the season the club may run extra fundraising activities. We would ask you or your child to support these as again these are very important to assist with the running costs of the club. Some of the extra activities are

- *Bag Packing, Estate Collection, Church Collection, FAI Raffle etc...*

Finally the club are always looking for Volunteers in any capacity to help with the running of the club. If you feel you can assist in any way please contact a committee member listed below. If you have any fund raising ideas please contact any of the committee.
